TIGER TRACTOR WARRANTY POLICY

All Tiger Tractors and attachments are guaranteed to be free from defects in material and workmanship and to be in perfect running order at the time they leave the Factory.

This Warranty is good for Three (3) months (90 days) from date of Warranty Card. A Warranty Card is furnished with each tractor and it must be filled in and mailed by dealer or customer immediately. FAILURE TO SEND IN THE WARRANTY CARD WITHIN 10 DAYS VOIDS THE WARRANTY.

USE OF WHEEL WEIGHTS, CALCIUM CHLORIDE SOLUTION OR DUAL WHEELS ON ANY OF THE TRACTORS WILL AUTOMATICALLY VOID THE WARRANTY ON THE TRANSMISSION-DIFFERENTIAL UNIT.

Any part proven defective within the Warranty period shall be replaced free of charge, F.O.B. Keyser, W. Va., on return of such defective part, transportation charges prepaid.

Equipment and accessories not manufactured by Tiger Tractor Corporation are not guaranteed. Our guarantee is limited strictly to those items on which we control production and fabricate in our plant in Keyser, W. Va.

No allowance will be made for repairs or alterations or other expenses incident to replacement of defective parts unless prior written approval is obtained from the Factory. NO RESPONSIBILITY WILL ACCRUE TO TIGER TRACTOR FOR EQUIPMENT REPAIRED, ALTERED OR MODIFIED IN ANY WAY IN THE FIELD.
